6.4. All right, title, and interest in the Intellectual Property embodied in the Service, the Defendify Content and the Defendify Marks will belong solely and exclusively to Defendify or to the Third-Party Service that owns such Intellectual Property. Partner will have no rights in the Service except as this Agreement expressly grants.

7. Suspension or Modification of the Service

7.1. Defendify may suspend, terminate, withdraw, or discontinue the Service as to Partner and/or any Partner Customer where required by law (including without limitation where requested by a subpoena or court order) or as this Agreement otherwise permits.

7.2. Defendify may modify the Service at any time during the Term, with or without prior notice to Partner and/or to Partner Customers, and Defendify will not be liable to Partner, to any Partner Customer or to any other third party for any such modification. It may be necessary for Defendify to perform scheduled or unscheduled repairs or maintenance or remotely patch or upgrade the Service, which may temporarily degrade the quality of the Service or result in a partial or complete outage of the Service. Defendify may also discontinue the inclusion of some or all Third-Party Services in the Service to the extent that their respective owners or publishers discontinue them.

8. Term and Termination

8.1. The Term of this Agreement begins on the date Partner agrees to the Quote in the manner set forth in that Quote ("Effective Date") and terminates one year later (the "Initial Term") unless terminated earlier or renewed as described here. This Agreement will automatically renew for successive one-year periods ("Renewal Terms") after the Initial Term's end. The "Term" means the Initial Term and all Renewal Terms together.

8.2. Either party may terminate this Agreement (a) immediately by written notice to the other party if that other party has failed to cure any material breach of this Agreement within 30 days after receiving notice of such breach from the first party; (b) immediately by written notice to the other party if that other party becomes insolvent, is liquidated or dissolved or if any proceedings are commenced by, for or against that other party under any bankruptcy, insolvency, reorganization of debts or debtors relief law, or law providing for the appointment of a receiver or trustee in bankruptcy; or (c) on 90 days' written notice to the other party without cause.

8.3. In addition to its rights under Sections 8.2 and 9.2, Defendify may terminate this Agreement immediately by written notice to Partner if Partner has breached any payment obligation under this Agreement for 30 or more days.

8.4. After termination of this Agreement for any reason, Partner Portal Data will remain accessible to Partner via the Portal for 30 days and Partner may copy the Partner Portal Data for its own purposes. Thereafter, Defendify will remove Partner's access to the Partner Portal Data and retain a permanent right and license to use the Partner Portal Data in any manner that Defendify deems appropriate;

This Section 8.4.2 does not limit other Defendify Partners from soliciting or reselling Defendify products to Partner Customers.

9. Compensation

9.1. Partner Customers will pay all fees relating to their usage of Authorized Defendify Product directly to Partner rather than to Defendify. During the Term, within 7 calendar days after it records a Resale Transaction in the Portal, Partner will send to their assigned Defendify representative by Customer Activation Form via the portal an order relating to that Resale Transaction. Such order will indicate the pricing terms of the Resale Transaction and any other information that Defendify may reasonably request. At any time after Partner records a Resale Transaction in the Portal, Defendify may send Partner an invoice for the Commission specified in Schedule 1.

9.2. Partner will pay Defendify any invoice on the due date stated in the invoice. Defendify may charge Partner interest on any past due amount at 1.5% per month calculated daily and compounded monthly or, if lower, the highest rate allowed by law.

9.3. All Fees paid by Partner to Defendify are nonrefundable. Partner's obligations to pay Defendify fees relating to Partner Customers will continue indefinitely after the termination of this Agreement for any reason.

10. Mutual Representations and Warranties

Each party represents to the other that it has the right, power and authority to enter into and perform its obligations under this Agreement.

11. DISCLAIMERS

The Service is provided "as is" without warranty of any kind. Defendify disclaims all warranties to Partner, to each and every Partner Customer and to any other third party, whether express, implied or statutory, regarding the Service, including without limitation any and all implied warranties of merchantability, accuracy, results of use, reliability, fitness for a particular purpose, title, and any warranties or conditions arising out of course of dealing or usage of trade. Further, Defendify disclaims any warranty that the Service will be uninterrupted, error-free, virus-free, or secure, or that Partner Systems or any Customer Systems will be protected from every form of attack.

Cybercrime is a continually growing and changing risk. Defendify cannot control the behavior and actions of Customers or Customers' Users, either of which could permit or cause cybercrimes against Customers, Customer's Users and/or Customer Systems.

Defendify does not provide any warranties regarding any Third-Party Materials. Any warranty on Third-Party Materials will only be provided by its respective provider.

The Third-Party Services may vary during the Term if Defendify from time to time chooses to remove individual Third-Party Services from the Service, or if suppliers of Third-Party Services discontinue them, discontinue Defendify's access to them or makes them available to Defendify (to the extent Defendify bears costs associated with making them available to Partner or to Partner Customers) on terms that Defendify in its sole discretion deems commercially impracticable. Accordingly, Defendify does not warrant or guarantee that any or all Third-Party Materials accessible via the Service at the time of execution of this Agreement will remain accessible to Partner or to any Partner Customer throughout the Term.

The disclaimers in this Section 11 apply except where this Agreement otherwise expressly provides and except as required by law.

12. LIMITATION OF LIABILITY

\$5,000. Defendify will have no liability to any third party for any losses or damages under any theory of liability. These limitations will apply to all claims for damages, whether based in contract, warranty, strict liability, negligence, tort, or otherwise, and regardless of the person bringing the claim.

13.1. Defendify's Indemnification of Partner. Defendify will indemnify, defend and hold harmless (collectively "indemnify" or "indemnification") Partner and Partner's officers, directors, agents and Personnel ("Partner Indemnitees") from and against any third party claims, demands, actions and proceedings, and any resulting liabilities, damages, costs and expenses (including reasonable legal fees and expenses), brought against any Partner Indemnitees, alleging that any Authorized Defendify Product or any Defendify Marketing Materials infringes any Intellectual Property rights of any third party. Such indemnification, however, excludes such claims which arise or result from any use of any Authorized Defendify Product or Defendify Marketing Materials by Partner or any other party that violates this Agreement.

Partner will promptly notify Defendify in writing of any action, threat of suit or claim for arbitration that Partner receives that may qualify for the indemnification provided herein. In such a case, the parties will confer in good faith regarding the appropriate course of conduct, and Defendify will have sole discretion regarding the disposition and any settlement of the matter.

This indemnification is the sole and exclusive remedy available to Partner with respect to any third-party Intellectual Property claims against any Partner Indemnitee.

Partner will indemnify Defendify and Defendify's officers, directors, agents and Personnel ("Defendify Indemnitees") from and against any third party claims, demands, actions and proceedings, and any resulting liabilities, damages, costs and expenses (including reasonable legal fees and expenses), brought against any Defendify Indemnitees, relating to any use of the Service by Partner or by a Partner Customer or Prospect that violates or is unauthorized by this Agreement.

Defendify will promptly notify Partner in writing of any action, threat of suit or claim for arbitration that Defendify receives that may qualify for the indemnification provided herein. In such a case, the parties will confer in good faith regarding the appropriate course of conduct, and Partner will have sole discretion regarding the disposition and any settlement of the matter.

This indemnification is the sole and exclusive remedy available to Partner with respect to any third-party Intellectual Property claims against any Partner Indemnitee

14. Protection of Partner Data

Defendify will maintain commercially reasonable administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Partner Data. Defendify will not disclose Partner Data to any third party or use it for any other purpose not necessary for Defendify to provide the Service or not permitted by Defendify's Privacy Policy. Defendify will restrict access to Partner Data to our employees and independent contractors who require access in order to perform hereunder. Defendify's obligations under this section will not apply to the extent that any Partner Data is (a) publicly known at the time of the disclosure or becomes publicly known through no wrongful act or failure of Defendify, (b) subsequently disclosed to Defendify on a non-confidential basis by a third

party not having a confidential relationship with Partner that rightfully acquired such information, (c) communicated by Defendify to a third party with Partner's prior written consent, or (d) disclosed by Defendify pursuant to a subpoena, court order or request by law enforcement or otherwise required by law.

15.2. Nature of Relationship. Each party will act as an independent contractor with respect to this Agreement, and employees of one party will not be considered to be employees of the other. The term "Partner" as used in this Agreement (and from time to time in other documents written by either party to this Agreement) is a term used for convenience and does not create a "partnership" within the meaning of the law of any jurisdiction. This Agreement creates no agency, partnership, joint venture, other joint relationship or fiduciary relationship. Neither party may make any commitments binding on the other, nor may either party make any representation that they are acting for, or on behalf of, the other. Defendify is not an insurer and will not act as an insurer with respect to Partner, any Partner Customer, any Partner Customer or any employee or independent contractor of any Partner Customer or any other person.

15.5. Assignment. Partner may not assign or transfer any of its obligations, licenses or rights under this Agreement without Defendify's prior written consent.

The affected party's obligations will be suspended solely to the extent caused by the force majeure and so long as it lasts, and the time for performance of the affected obligation will be extended by the time of the delay that the force majeure causes.

15.10. Waiver. No waiver of any breach of any provision of this Agreement will constitute a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof, and no waiver will be effective unless made in writing and signed by an authorized representative of the waiving party.

15.11. Entire Agreement. This Agreement is the entire understanding of the parties, and supersedes all prior agreements between them, concerning its subject matter. Any amendment must be in writing and expressly state that it is amending this Agreement.

15.12. Governing Law. The laws of Delaware, except for conflict of law rules, will apply to any dispute related to the Service or to this Agreement.

15.13. Dispute Resolution. The parties will attempt to settle any dispute or claim by either of them relating to this Agreement by good-faith consultation. If such consultation yields no satisfactory resolution of the dispute or claim, then either party may submit it to arbitration in accordance with the Small Claims Rules of the American Arbitration Association ("AAA") then in effect (the "Rules"). The arbitration will be held, and the award will be rendered, in Maine. The award will be final and binding on the parties as from the date rendered, and will be the sole and exclusive remedy between the parties regarding any claims, counterclaims, issues, or accounting presented to the arbitral tribunal. Judgment upon any award may be entered in any court having jurisdiction thereof. In the case of any dispute, the prevailing party to this Agreement will be entitled to recover reasonable attorneys' fees and costs, including expert witness fees, from the other party.

15.14. Time Limitation on Disputes. Partner must bring any claim, action or proceeding that Partner may have against Defendify (or against any of Defendify's employees, directors, officers, agents or independent contractors) within one year after the cause of action has accrued or within one year after the termination of this Agreement, whichever is earlier.

15.15. Notices. Notices to Defendify under this Agreement are accepted only when sent by email to legal@defendify.io.

Defendify may publicize the fact that the parties have entered into this Agreement, including identifying Partner by name and a general description of the nature of the Agreement that does not disclose any confidential information protected by any non-disclosure agreement that the parties may have entered into, without separate prior written consent by Partner. The Licensor is an express third party beneficiary of this EULA and may enforce it against End User directly. The duration and pricing of End User's access to the Licensed Software will be governed by the Customer Agreement, other than Licensor's termination rights under this EULA. Licensor hereby grants End User a limited, personal, term-limited, royalty-free and paid up, non-sublicensable, non-transferable (other than as a result of change of control of End User), revocable, nonexclusive license to: (i) download and install the Licensed Software, only on the endpoint devices that are covered by the Breach Detection and Response (BDR) Services purchased under the Customer Agreement, and (ii) to use other Licensed Software that Licensor may make available to End User hereunder, in each of (i) and (ii) only for End User's internal use in connection with its receipt of BDR Services. End User shall not, nor permit anyone else to: copy, modify, or distribute the Licensed Software; reverse engineer, disassemble, decompile or attempt to discover the source code of the Licensed Software (except to the extent that the foregoing is expressly permitted by applicable local law), or perform benchmarking or similar tests on the Licensed Software; rent, lease, or use the Licensed Software on behalf of any third party; or use the Licensed Software for any other purpose. As between the parties to this EULA, title, ownership rights, and intellectual property rights in and to the Licensed Software, and any copies or portions thereof, shall remain in Licensor and its suppliers or licensors. This EULA does not grant End User any rights not expressly granted herein. End User is responsible for all actions or omissions of its agents or personnel with respect to their use of the Licensed Software. If End User is part of an agency, department, or other entity of any national government ("Government"), the use, duplication, reproduction, release, modification, disclosure or transfer of the Licensed Software is restricted in accordance with the relevant national acquisition regulations as applied to civilian agencies. With respect to Government sales in the United States, the Licensed Software is a "commercial item," "commercial computer software" and "commercial computer software documentation" as those terms are defined at 48 C.F.R. 2.101 and 48 C.F.R. § 227.7202. Any use, duplication, or disclosure by the United States federal government is subject to the restrictions applicable to commercial computer software, commercial computer software documentation and commercial items generally in 48 C.F.R. § 12.212 and 48 C.F.R. § 227.7202, as applicable. For purposes of use, duplication, or disclosure by the United States federal government, the author of the Licensed Software is the Licensor. End User shall comply with all applicable export laws and restrictions and regulations, and End User shall not export, or allow the export or re-export of the Licensed Software or any related technical information in violation of any such restrictions, laws or regulations. End User agrees to the foregoing and represents and warrants that End User is not located in, under the control of, or a national or resident of any country with respect to which the delivery or license of the Licensed Software would be restricted under applicable law. The foregoing licenses and restrictions apply to any Licensed Software delivered before or after the date this EULA is accepted by End User ("Effective Date"). The Licensed Software is a confidential trade secret of Licensor and shall not be disclosed or (other than as permitted under this EULA) used by End User.

2. End User Data. End User hereby grants Licensor a perpetual, irrevocable, royalty-free and paid up, sublicensable, transferable, non-exclusive license to collect and use End User Data to provide the BDR Services, and to develop, maintain and improve the BDR Services and other products and services of Licensor and of its affiliates. "End User Data" means data regarding End User's use of the Licensed Software and receipt of the BDR Services (including without limitation reports produced by Licensor for End User), and all feedback provided by or on behalf of End User regarding the Licensed Software or the BDR Services. End User represents, warrants and covenants to secure

all third-party consents as may be required for the foregoing license grants to Licensor. The foregoing licenses apply to any End User Data collected or delivered before or after the Effective Date.

3. End User Obligations. End User shall designate one individual to communicate directly with Licensor on the End User's behalf and to whom all Licensor communications concerning the Agreement may be addressed (such individual will be known as the "End User Contact"). End User shall cooperate with Licensor, including by making available management decisions, information, approvals and acceptances, as reasonably requested by Licensor to the extent required to permit Licensor to fulfill its obligations and responsibilities hereunder. The End User Contact or his or her designate will be the principal point of contact for obtaining such decisions, information, approvals and acceptances. Only personnel as expressly so designated by the End User Contact will be authorized to make commitments on the part of End User that would amend the Agreement. End User shall, to the extent it is able, provide reasonable notice to Licensor of anticipated material changes that could increase, decrease, or otherwise impact the resources needed to permit Licensor to provide the BDR Services. If End User is unable to provide reasonable notice of such material changes, then the Parties shall mutually determine the impact of such material changes on the BDR Services, and mutually agree upon such adjustments as may be appropriate. End User shall install the Licensed Software on its own servers protected by industry standard administrative, technical and physical security procedures and policies to protect the Licensed Software from unauthorized access, use or disclosure.

4. Termination. Licensor may terminate this EULA, effective immediately upon written notice to Defendify, if (a) End User breaches any provision in Section 1 (Licensed Software), or (b) End User breaches any other provision of this EULA and does not cure the breach within fifteen (15) days after receiving written notice thereof from Licensor.

5. Warranty Disclaimer. TO THE FULLEST EXTENT PERMITTED BY LAW, THE BDR SERVICES AND LICENSED SOFTWARE ARE PROVIDED ON AN "AS IS" BASIS, AND END USER USES EACH OF THE FOREGOING AT END USER'S SOLE RISK. LICENSOR EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND ANY OTHER WARRANTY ARISING UNDER USAGE OF TRADE, COURSE OF CONDUCT OR OTHERWISE REGARDING THE BDR SERVICES AND LICENSED SOFTWARE. WITHOUT LIMITING THE FOREGOING, LICENSOR MAKES NO WARRANTY THAT THE LICENSED SOFTWARE WILL OPERATE ON A SECURE OR ERROR-FREE BASIS, OR THAT THE BDR SERVICES WILL DETECT ALL THREATS, OR PRESERVE END USER DATA.

6. Limitation of Liability. TO THE FULLEST EXTENT PERMITTED BY LAW, UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY, INCLUDING, BUT NOT LIMITED TO, TORT, CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL LICENSOR OR ITS SUPPLIERS AND LICENSORS BE LIABLE TO END USER OR ANY OTHER PERSON (I) FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, OR (II) FOR AGGREGATE DAMAGES OF ANY KIND WHATSOEVER ARISING OUT OF THIS EULA, USE OF THE LICENSED SOFTWARE, OR RECEIPT OF THE BDR SERVICES, IN EXCESS OF THE FEES PAID BY END USER TO LICENSOR IN THE TWELVE (12) MONTHS PRECEDING THE DATE THE CLAIM AROSE, REGARDLESS OF THE NUMBER OF CLAIMS. THE FOREGOING LIMITATIONS SHALL APPLY EVEN IF LICENSOR SHALL HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES.
